The Review Committee vide its interim decision issued on 27th February 2018 admitted the said Review Request of Omantel along with all documents submitted in Arabic and English languages and decided to suspend the Decision No. 68/2017 till the issuance of final decision. In doing so, Omantel shall submit to the TRA (a) clean copy of all relevant documents comprising the RAIO in Word and PDF version and (b) a copy with track changes showing the changes made between the Second Draft RAIO and the Final Draft RAIO, inclusive of all the relevant documents comprising the RAIO in Word and PDF version.

In order to ensure consistency of terms and conditions between Omantel's RAIO and Ooredoo' RAIO, Ooredoo has also been directed to resubmit its Final Draft RAIO, keeping in view the amendments indicated in annex 1 of Decision 50/2018, within thirty (30) days.
