Resolution No. 67/2010 Issuing Service Price Control Regulation for Licensees providing Public Telecommunications Service in Specific Geographical Areas

Pursuant to the Telecommunications Regulatory Act issued by the Royal Decree No. 30/2002 and;

The Executive Regulation issued by Resolution No. 144/2008 and;

The approval of the Council of Ministers at its meeting No 18/2009 held on June 2, 2009 and;

The approval of the Telecommunications Regulatory Authority dated April 13, 2010 and;

Based on the exigencies of the public interest;

It is resolved

- <u>Article 1:</u> The attached regulation shall be enforced with regard to Licensees providing Public Telecommunications Service in Specific Geographical Areas.
- Article 2: All legal provisions contravening this Resolution or conflicting with its provisions shall be repealed.
- Article 3: This Decision shall be published in the official Gazette and shall come into force from the day following its publication.

Mohammed Bin Nasser Al-Khusaibi Chairman of Telecommunications Regulatory Authority

Issued on: 8th Jumada Thani 1431 A.H. Corresponding to: 24th May 2010 A.D.

Service Price Control Regulation for Licensees providing Public Telecommunications Service in Specific Geographical Areas

Chapter C	One: Definitions	
Article 1	In the application of the provisions of this regulation, the terms and expressions used herein shall express the exact meaning set forth in both the Telecommunications Regulatory Act and its Executive Regulation or in the fixed and mobile licenses issued by the Royal Decree No. 20/2004, the Mobile License issued by the Royal Decree No. 17/2005 and the Fixed License issued by the Royal Decree No. 34/2009, unless the text requires otherwise.	
	Moreover, the following terms and expressions shall have the meaning assigned to each of them unless the text otherwise requires:	
	1. Licensee : a provider of Telecommunications Service under the a license with an obligation to provide services in specific areas of the country, as designated, according to the license terms and conditions issued pursuant to Article (38) of the Telecom Act.	
	2. "Public Telecommunications Services in Specific Geographical Areas" the services specified in the Licensee's License to provide telecommunications services in a specific geographical area.	
	3. Simple User System: a package of telecommunications services and charges designed to be advantageous to customers with relatively low call volumes.	
	4. Prices of Regulated Services: prices charged by the licensee that TRA reasonably considers is not subject to effective competition.	
	5. Standard Package: the set of services and maximum tariffs shown in the attached Appendix.	
	Chapter Two: The Scope of the Regulation	
Article 2	The provisions of this regulation shall be applicable to the prices of telecommunications services provided by the licensee that are charged to the beneficiaries in return for the provision of these services.	

Chapter Three: Application for Approval of Prices, Terms & Conditions	
Article 3	The Licensee has to submit an application to obtain the Authority's approval of the prices or the suggested price changes, with the suggested terms and conditions for the provision of service or the application of such prices, 30 days before the effective date of the prices or price changes.
Article 4	The licensee shall set a standard customer agreement, subject to TRA approval, the publication method and perusal of which shall be by determined by the Authority. It shall include the following: a. The licensee terms and conditions for the services provision in a fair basis. b. Procedures of the complaints that may arise out of such services and their provision, and the resolution of such complaints.
Article5	The Authority may request the Licensee to complete any incomplete information or request any additional information related to the applications mentioned in this regulation.
Article 6	In the application for price approval, the licensee shall undertake not to exceed the highest limit of the prices of the regulated service shown in the Annexure. The Authority may alter the highest limit of the prices of the regulated services shown in the attached annexure or add new services to it by issuing orders or guidelines to the licensee or by any other way it deems appropriate.
Article 7	The Authority may not approve the price application, the terms or the suggested procedures in any of the following cases: a. If they contain materialistic errors. b. If the licensee fails to provide the required additional information or to complete any incomplete information pursuant to Article 5 of this regulation. c. If they were unfair or unreasonable. d. If they were in breach of the applicable rules, decisions and terms and conditions of the license issued to the licensee. Approval or disapproval shall be given within (15) working days from the date of filing the application in accordance with Article (3) of this
Article 8	regulation or within (10) working days of submission of all additional information and the incomplete documents requested by the Authority. If the prices or the suggested terms and conditions were not approved by

	the Authority, the Authority shall inform the licensee of its justified
	disapproval decision. The licensee shall modify the charges and the
	suggested terms & conditions as per the Authority's request and shall re-
	apply to obtain the Authority's approval within the period assigned by
	the Authority in its disapproval decision.
Article 9	If the prices or the suggested terms and conditions were not objected to
	by the Authority within (15) working days of the application date, this
	shall be deemed as an approval with effect from the 16 th day of filing the
	application or from the 11th day of the Licensee's completion of the
	additional information or the incomplete documents that may be
	requested by the Authority. These shall be valid from the date proposed
	by the Licensee provided that the suggested launching date is not sooner
	than (30) working days of the application.
Article 10	If the prices or the suggested terms and conditions were approved by the
	Authority, the Licensee shall inform its customers of such prices and
	terms and conditions no less than (5) working days prior to their
	effective date by publishing them in two daily newspapers in both Arabic
	& English and in its website or by any other means deemed appropriate
	by the Licensee and approved by the Authority.
